

# MFA Leadership Program Announcement (2026–2027)

We are excited to open applications for the MFA Leadership Program for the 2026–2027 season.

This program is designed to give students the opportunity to grow in leadership while actively participating in MFA activities. Students will gain hands-on experience in event planning, performances, collaboration, and mentorship.

## Program Overview

- Program Period: April – June
- Leadership Team Announcement: May 30 (MFA End-of-Year Celebration)
- Official Leadership Term Begins: Summer 2026

## Why Join

Students in the Leadership Program will have opportunities to:

- Take on leadership roles in real events and performances
- Be recognized as part of the MFA Leadership Team
- Gain experience in organizing concerts and community projects
- Work closely with mentors and experienced students
- Receive priority opportunities in performances and special events

We hope this program will be a positive and meaningful experience for all students. We are looking for students who are willing to be involved, take initiative, and contribute to the MFA community. Even small contributions make a meaningful difference.

## Selection Process

Board Members will be selected based on overall participation, responsibility, communication, initiative, and teamwork throughout the program period.

Senior leadership roles (President and Vice President) will be selected separately based on overall leadership and contribution.

## Current Board Members

All current Board Members are required to reapply through the MFA Leadership Program as part of the selection process for the 2026–2027 season.

Your past contributions and experience are highly valued and will be taken into consideration. However, leadership positions are not automatically continued and will be determined based on overall participation and contribution during the program period.

## Application Information

All students interested in leadership are encouraged to apply.  
Application Deadline: March 30/ 2026

If you have any questions, please feel free to reach out.

We look forward to seeing your continued involvement and growth in MFA!
