Hello everyone! On Saturday, April 26, we had April meeting. There, we talked about upcoming events and attendance.

ATTENDANCE

Upcoming events and meetings will be told in advance in the group chat. Attendance forms for upcoming events will also be sent out. These attendance forms will need to be filled out before a certain date. If you are not able to attend, please let the leadership team know and not Dr. Joo. Not filling out the form will count as an unexcused absence. You will lose your role if you have 3 unexcused absences.

Events/Fundraising ideas

Nursing home events will be held monthly. At these events, we will have people check in with volunteers, be an organizer for the event, or introduce the names of pieces that will be played and the performer's names. Classical songs don't need to be played every single meeting as it is difficult to learn within a month. If you have songs you would like to play at the event, please make sure it is not a pop song and check in with the leadership team. We recommend choosing easier songs that you are able to perform or shorter songs. If you want to choose your music, please let Dr. Joo know at least a week in advance.

The Solo Ensemble will be held on May 2. Accompanists also have an event coming up. You may also come to support at upcoming cello recitals. Some fundraising ideas we had were to have a bake sale at Benefit Concert. On June 1 or to make crafts to sell.

Service hours

There will be a clipboard at meetings for you to sign in/out. Please do remember to sign in/out as you won't be receiving service hours if you forget to. Please report to Claudia or leadership team the exact amount of time. If you don't know how to log in your service hours, there will be a tutorial video posted on the website by webmaster Tristan. There will also be a spreadsheet to keep track of how many hours you currently have. You may look at the spreadsheet if you do not know how many hours you have. If you have additional hours that weren't added onto the spreadsheet, please let the leadership team know and they will add it.

See you next time!

After the meeting, Alex ,
Oliver. and Connor had a
rehearsal for the event
